

INVESTING IN OUR STUDENTS

With additional funding from the 60-cent limiting rate increase, District 121 would be able to:

PRESERVE 8-PERIOD SCHOOL DAY

IMPROVE ACADEMIC SUPPORT & MENTAL HEALTH SERVICES

Preserving our 8-period day, and improving academic and mental health services, would help ensure WTHS students remain competitive for college and careers and be prepared for life after high school.

RESTORE & PROTECT ACTIVITIES & CLUBS

RESTORE & PROTECT ATHLETICS

The Board plans to allow the District to restore the entry-level athletic teams, as well as preserve current band staffing and programming if a referendum passes. This allowance would be to the extent possible based on the time available prior to the beginning of the 2022-2023 school year.

LAST IN PER PUPIL FUNDING

WTHS ranks last in per-pupil funding compared to other Lake County high school districts.

ON THE BALLOT

The referendum will appear on the ballot as a question.

Shall the limiting rate under the Property Tax Extension Limitation Law for Warren Township High School District Number 121, Lake County, Illinois, be increased by an additional amount equal to 0.60% above the limiting rate for school purposes for levy year 2020 and be equal to 2.644864% of the equalized assessed value of the taxable property therein for levy year 2022?

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$45,711,762, and the approximate amount of taxes extendable if the proposition is approved is \$59,124,418.

(2) For the 2022 levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$200.

(3) If the proposition is approved, the aggregate extension for 2022 will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

WARREN TOWNSHIP HIGH SCHOOL DISTRICT 121 JUNE 28, 2022 REFERENDUM INFORMATION:

- ✓ WTHS ranks last in per-pupil funding compared to other Lake County high school districts.
- ✓ Increased funding would allow the District to offer the same level of academics, activities and athletics that the District has been proud to provide to our students and community over the years.
- ✓ A 60-cent limiting rate increase would have an estimated annual tax impact of \$200 (\$16.67 per month) per \$100,000 of a home's fair market value.
