

Warren Connection: Nearing the End of the School Year

April 29, 2021

At its April 27, 2021 meeting, the Board of Education officially accepted the results of the April 6 election, which fell short of being approved by a majority of voters in District 121. The referendum question was placed on the ballot to allow the community to weigh in on possible additional revenue through an increase to the district's limiting rate.

We know that our financial challenges related to maintaining our current programs will not go away. We will leave the information on the Referendum page on the district website, so that community members can review the context and projected reductions in programming without additional revenue.

We look forward to continuing to engage with the community on these issues in the near future. WTHS is appreciative for the conversations we have been able to have with our community regarding the future of WTHS and the students we serve.

Board of Education News

Recognizing Retiring Board Member Jonita C. Wilson

At the April 9 Board of Education meeting, Jonita C. Wilson was recognized for her many contributions while serving on the Board. Mrs. Wilson is retiring from the Board, as she did not run in the recent April election.

Mrs. Wilson was elected to the Board in 2017. She has served on many Board committees during her four-year term, including the Parent-Teacher Advisory Committee, Discipline/Student-Parent Handbook Committee, Diversity Committee, Finance Committee, Safety Committee, Strategic Plan Committee and the Board Orientation Committee.

Jonita has been a dynamic and collaborative leader on our Board of Education. We greatly appreciate her service to our students and community.

Board of Education Election Results

At the April 27 meeting, the Board of Education conducted an organizational meeting to officially declare the results of the April 6, 2021 School Board Election. The Lake County Clerk canvassed the votes following the April 6 consolidated election, and the Abstract of Votes was certified April 22.

The following candidates were elected to the Warren Township High School Board of Education for four-year terms: John R. Anderson, Natalia Alvarez Martinez, Katherine Blair, and Paul Schulz.

After taking the Oath of Office, the Board elected officers for the next two years. The Board officers are Mr. Schulz as President, Mr. Anderson as Vice President, and Ms. Beals as Secretary.

In-Person Meetings

Toward the conclusion of the meeting, the Board also rescinded the temporary policy 2:23-TR, Temporary Rules for Public Participation at School Board Meetings During COVID-19 Emergency. This action returns our Board of Education meetings to (generally) in-person status for participation by Board members and the community.

The district will continue to make efforts, however, to try and live-stream regular Board of Education meetings for the community to view.

Robyn Kubik Named Warren Township High School's Gurnee Teacher of the Year

Social Studies teacher selected by her colleagues for award from the Village of Gurnee

Social Studies teacher Robyn Kubik has been voted by her colleagues as Warren Township High School's 2020-2021 Gurnee Teacher of the Year.

Each school year, the Village of Gurnee recognizes three Gurnee teachers, including one from Warren Township High School District 121, Gurnee School District 56, and Woodland School District 50. The Gurnee Teacher of the Year receives a \$1,000 honorarium.

Kubik has served in education for 16 years, teaching at Warren Township High School for the last 14 years. She loves teaching because the classroom offers a unique work environment.

"I have been fortunate to spend the majority of my time at Warren teaching Psychology," said Kubik. "It is a course that I believe every student who takes it will benefit from. Psychology allows students to learn about themselves, how their brain works and how and why they act certain ways. The everyday connections that students can make to our course is infinite."

Kubik says some of her best teaching moments have happened after students leave both the classroom and the walls of Warren. Students will reach out and express what they remember learning in class and how it has impacted them in everyday life. Kubik believes there is no greater gift as an educator than to experience those full-circle moments.

"For 14 years, Robyn Kubik has been an incredibly powerful social studies teacher for Warren Township High School. She commits endless hours of preparation to ensure her students always have the tools they need for success in her psychology classes," said Dr. John Ahlgrim, Warren Township High School District 121 Superintendent. "Students benefit greatly from Robyn's positive outlook, energy and enthusiasm in the classroom. Robyn's commitment to continuous improvement for her courses and instructional practices are exemplary for our WTHS community. We are so proud to help recognize her as our Gurnee Teacher of the Year."

"I also really enjoy sharing the concept of Positive Psychology with students, helping them focusing on what is going RIGHT in their lives," Kubik said. "When we change our thought pattern, we can change so much else. The mind is our most powerful tool and resource."

Kubik holds a bachelor's degree from Illinois State University and has two master's degrees: one from Roosevelt University in Teaching for Secondary Education and one from Concordia University in Psychology.

News from Instructional Services

by Christopher J. Geocaris, Assistant Superintendent of Instructional Services

We are now moving into the final weeks of this very unique school year, and we are proud of all our students and staff for working together through the challenges we have faced. Our teachers have worked diligently to develop new instructional strategies and to leverage additional technology to support their students in their learning throughout our remote and hybrid instructional models.

As we begin these final weeks of the school year, we hope our students will choose to finish the year on a high note by turning in any missing coursework, completing assessments, and taking advantage of all the supports WTHS has in place to help our students. One example is our resource rooms. We have virtual resource rooms available during the day and a virtual study table available on Tuesday and Thursday evenings.

The following are links on our website for students to access these virtual rooms:

Virtual Resource Rooms:

I wish all our students success in the final weeks of the school year!

Senior Chromebooks

At the end of the school year, seniors will be able to keep their Chromebook when they graduate from Warren, as long as all registration fees have been paid. Seniors are still required to attend Chromebook/Textbook return during the last week they are in attendance. Important dates and additional information will be communicated through students' school email and daily announcements.

AP Exams

Advanced Placement exams will take place from May 18 through May 28. Specific Exam information will be communicated to students who have registered for these exams. If you have any questions about AP Exams, please contact Matthew Jones, Assistant Principal at the Almond Campus.

Spring is finally here, and summer is right around the corner! Our student service teams are working diligently to assist and support students as they are finishing the school year.

Our teams will also continue to engage in intervening with students who are struggling. If you have any concerns with your student's progress, please contact your child's counselor or dean. Please click this link to access contact information: <https://il02214492.schoolwires.net/Page/254>

Our Social Workers have also updated their section of the website to include important resources for families. Please take some time to review these important resources: <https://il02214492.schoolwires.net/Page/251>

Declaration Day and Senior Survey Class of 2021

I know the Almond administration is finalizing plans for graduation. In addition, our College and Career counselors are looking for data and to celebrate post-secondary choices for the Class of 2021.

Please complete the Senior Exit Survey by May 14 with your intentions for after high school. <https://tinyurl.com/4tmr7mmt>

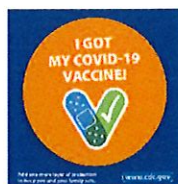

For instructions and additional information about our Senior Declaration Day Celebration at the Almond Campus on Friday, May 7. <https://tinyurl.com/3s3ne7hs>

Fall 2021 Reminders

We are planning for a normal start to the school year in fall 2021. We hope to have students transition back to a consistent onsite schedule. We know the transition will be difficult for some. Please know we will be ready to support your students. We really look forward to seeing everyone back. If your student is struggling with finding a routine, please reach out to our student services teams so we can identify kids for our intervention program. Please click this link to access contact information: <https://il02214492.schoolwires.net/domain/106>

Vaccination Updates

If you have a current junior, please remember to get your meningitis vaccine scheduled and completed prior to the first day of school. Once we get to July and August, it becomes more challenging to find appointments.

Also, if your student received a COVID vaccine, please send that record to the health office. Please click here for contact information: <https://www.d121.org/domain/80>

Principal's Corner at the Almond Campus

by Rob Parrott

Congratulations

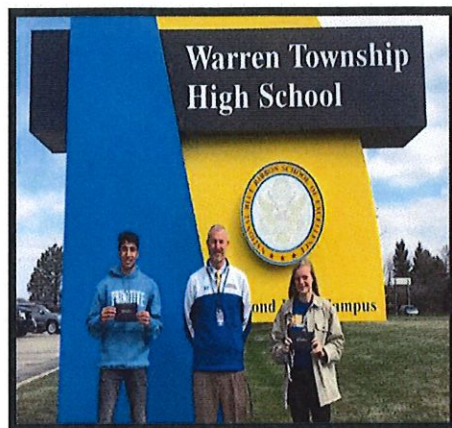

I am proud to recognize the following students as our monthly A-Team winners at the Almond Campus: Leslie Olivares, Alexis Villalobos, Ellen Corr, Jacob Scheffler, and Jason Dixon.

We have five National Merit Finalists this year! Congratulations to Seniors Yuvraj Chauhan, Lucinda Damon-Davis, Kevin Goger, Bradley Strauss, and Olivia Wong, who have all moved on in the PSAT/NMSQT competition and been named National Merit Finalists! Students named as National Merit Finalists are among the top 1% in the nation based on the qualifying exam they took during their junior year of high school.

As the school year comes to a close, I want to thank our students for the hard work and dedication they have shown during the past year. They have been respectful of the difficult circumstances and their resilience has kept them engaged in the learning process. Thank you for making the best of the most unique of learning experiences we've had!

Lake Region Illinois Principal Association Award

Congratulations to seniors Kayleigh Glickley and Ishaan Shah, who are being recognized for their outstanding character and leadership by the Lake Region Illinois Principal Association. Both students are excellent role models for their peers by excelling in the classroom, athletically, and through a variety of community service activities throughout their high school career.

Perfect ACT Scores

Congratulations to Griffin Pasha and Kevin Goger, who both received a perfect score on the ACT! Of the approximately 1.9 million students who take the ACT annually, only about 3,700 earn a perfect score. This puts Griffin and Kevin in about the top .2% of students to take the exam!

Graduation Ceremony Update

My highest priority is to have a graduation ceremony to recognize and honor the Class of 2021. It is very important for us to be able to celebrate the hard work and resilience of our senior students. We are moving forward with plans to host a graduation ceremony at the O'Plaine Campus, in the outdoor stadium, on Sunday, May 23, 2021. Although we are still planning the details of the day and our alternative indoor plan in case of inclement weather, we do not plan to change from this date. More information can be found on our [website](#).

2021-2022 School Year Information

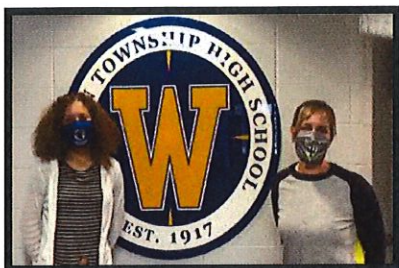

Online registration for all students will open in May 2021. Parents and students will receive a notification regarding the online process for completing registration for the 2021-22 school year.

Principal's Corner at the O'Plaine Campus

by Michele Bertola

Happy Spring! As we enter our final stretch of the school year, I want to thank our students and parents for your hard work and support. Students have been respectful of the challenging circumstances we've faced, and their resilience has kept them engaged in the learning process. I hope everyone reflects on what has been learned over the last year and that we finish this year strong. We will continue to push each other to get better every day.

Lake Region Illinois Principal Association Award

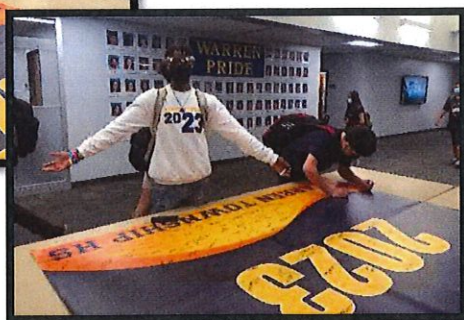

Congratulations to sophomores Ariana Bond and Taylor Simmons, who are being recognized for their outstanding character and leadership by the Lake Region Illinois Principal Association! Both students are excellent role models for their peers by excelling in the classroom, sports and/or activities, and through a variety of community service activities throughout their high school careers.

Class of 2023

Sophomore students signed their Class of 2023 banner this week as a commitment to finish the year strong and to graduate in 2023. Class banners hang at the O'Plaine campus, and then go to Almond when students begin their junior year. Our class of 2022 signed their banner at orientation in August.

Congratulations

April Matter of Pride Recognition

Matter of Pride recognizes students for their academic excellence, academic effort/improvement, leadership, making Warren a better place, and/or random acts of kindness. Congratulations to the following students for being nominated by staff members for our Matter of Pride recognition: Ryan Stanciak, Evan Larson, Andrew Wheeler, Jack Edwards, Harrison Levy, Aleksandar Yonchev, Alan Tiscareno-Jaime, Rafael Gloria, Darryle McDaniel, Leyla Montes, Jakob Biondo, Liam Wiley, Noah Walowski, Andrew Lazar, Abigail White, Aniya Christie, Jalina Ramos, Adam Juarez, Edward Lim, Cameron Fleming and Allan Shamsiyev.

2021-2022 School Year Information

Online registration for all students will open in May 2021. Parents and students will receive a notification regarding the online process for completing registration for the 2021-22 school year.

News about Athletics

by Becky Belmont, Director of Athletics

Congratulations to Nina Staben for being awarded the Marine Option Naval Reserve Officer Training Corps Scholarship! The national selection process for the scholarship is highly competitive. Thousands of applicants submitted packages, and only 50 of these were selected from the Midwest. The Frederick C. Branch NROTC scholarship is worth \$180,000 and will cover Nina's four-year degree at Xavier University.

Congratulations to sophomore Keegan Knott, who competed on the USA National Swim Team in the World Para swimming World Series! She had a very successful meet, as she finished 8th in the 100 Free, 3rd in the 100 Breast, 4th in the 400 Free, 3rd in the 200 IM, and 34^d in the 100 Back.

Warren Township High School District 121 is a member of the following athletic organizations:
