

FOR FRESHMEN WHO NEED TO SET UP AN ACCOUNT

In order to create a Wordware account, you will need the family key code provided by the district. The district will send these to freshmen families the week before school starts.

FOR NON-FRESHMAN STUDENTS WHO NEED A KEY CODE TO SET UP AN ACCOUNT

If a family of a non-freshman student needs a key code to set up a Wordware account, please email Almond Campus Food Service Manager, Liz Gilliland at lgilliland@questfms.com or Oplaine Campus Food Service Manager, Beth Dudzinski at bdudzinski@questfms.com

Once you receive the family key code, you are ready to create your account with Wordware.

- 2) Once signed onto the family site, click the **Add Funds** icon to make a debit or credit card payment.
