

AFFIDAVITS

The School District reserves the right to evaluate the evidence presented when enrolling with an affidavit. Completing an affidavit does NOT guarantee admission to District 121. A person who knowingly or willfully presents to the School District any false information regarding the residency of a student for the purpose of enabling that student to attend any school in the District without the payment of a nonresident tuition charge is guilty of a Class C misdemeanor (105 ILCS 5/10-20.12b(f)).

Please note: Affidavits terminate on the last day of each school year
