

Hello Parents/Guardians,

The on-line registration process is now open for returning students, incoming freshmen, and students new to the district that have already met with the registrar. All registration steps must be completed online through our PowerSchool student information system. The due date to complete registration is July 30, 2021; however, we ask that you complete this process as soon as possible. Below are links that provide further information on proof of residency, medical forms and instructions on how to complete the online registration process:

- [Proof of Residency requirements](#)
 - It is recommended that you have all residency documents available to be uploaded prior to beginning the online registration process.
- [Physical/Immunization Form](#) (if needed)
- [Freshmen Physical/Immunization Information](#)
- [Meningitis information in English](#)
- [Meningitis information in Spanish](#)

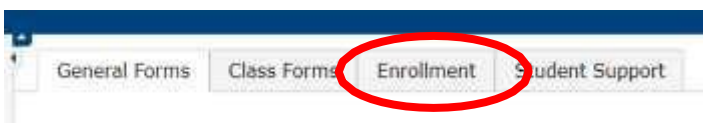

Instructions to complete the online registration forms

Step 1: Log into your PowerSchool Parent Account using your parent username and password.

Step 2: Select “Forms” on left side of the screen

Step 3: Select the “enrollment” tab

Step 4: Complete all of the forms listed.

Directions:

- Select Form A: Student Demographics
- When completed, hit the “submit” button at the bottom
- You will then see a pop-up confirming the completion of the form
- Please click OK. This will take you automatically to the next form

If you have any issues with our online process, please contact the receptionist at 847-662-1400 or visit the Warren Township High School registration page on our website at www.d121.org, or click [here](#) for more information.
